JG / Gibson

On October 27th, 1919, a bail bond was given by Jane Gibson in Jersey City in the case of State vs. Andrew Leitner, 21547. Allegation, 25th day of September term, 1919. This was a case where a colored man accused Andrew Leitner of stealing something from his car. Andrew Leitner is the brother of Jane Gibson. Jane Gibson went his bail. This case has been disposed of. I mention it because she went under the name of Jane Gibson and must have sworn to that.
